## EXPERIENCE

### **FRED HUTCHINSON CANCER RESEARCH CENTER**

**2013 – 2020**

#### **Illustrator, Print and Web Designer, Communications and Marketing Division**

*Print collateral including print ads, sales and marketing material, invitations, such as Chefs and Hutch Holiday Gala and all corresponding web graphics. Illustrations and animations for original stories. Environmental graphics for rebrand. Designed microsites for special events. Created cover illustrations for Fred Hutch Magazine.*

- Upon one day's notice, devised a welcome gift for visiting Vice President Joe Biden. Created a visually compelling booklet honoring his Cancer Moonshot listening tour.
- For the 100-year Fred Hutch anniversary designed a hand-made book/card signed by the entire campus.
- Bought \$12 science flasks and had them engraved to a donor. Used that same idea for employees and had personal notes, rolled up and tied with thread and dropped into the flasks. These unique gifts were lifetime keepsakes.
- Designed Fred Hutch magazine covers for departing long term employees as parting mementos
- When launching Fred Hutch Instagram, increased viewership creating photo-props called "cell fie"s
- Introduced laser etched insertions into trophies
- During an organization-wide rebranding initiative, developed ways to introduce the new logo on all public and internal facing entrances exits, windows and vehicles.
